**RE: Beenu Arya Reference Letter**

To whom it may concern,

I was introduced to Beenu through a recommendation from Bausch & Lomb Surgical.

When I met Beenu, I was immediately impressed by her "well prepared" nature. She had obviously researched myself and my business.

I hired Beenu to design "Laser Cataract Centre", an efficient 2100 sq ft. private cataract surgery facility in Lindsay, ON.

Beenu has exceeded all of my expectations; researching and understanding the CPSO requirements, communicating with the local city planning departments, and contractors. Beenu is very hard working, attentive to detail, and available to address any concerns.

Beenu obviously takes a sincere interest in what she does. It has been a true pleasure to work with her on this project.

I would highly recommend her to anyone interested in building a private surgery centre.
